

In the Field

A Gift for the Dog Lover

Step into the world of sporting dogs with nationally-acclaimed photographer Nancy Whitehead, who captures the spirit of the working dog in all their beauty, courage and boldness of spirit. This 100-page hardbound coffee table book, with a foreword by renowned outdoor author Charles Gaines, is both a treasured adventure and a timeless tribute to the character and heart of sporting dogs of all breeds and dispositions-whether on the water, at play, or in the field.
